

EMPS-SCHOOL DISTRICT MEMORANDUM OF AGREEMENT

This document serves as a Memorandum of Agreement ("MOA") between Clifford Beers Clinic and Elm City College Preparatory Middle School and has been developed in order to specify roles and expectations between these parties for meeting the behavioral health needs of Elm City College Preparatory Middle School students. The MOA has been developed for the following purposes:

- To promote earlier identification of students with behavioral health needs and support timely linkage to appropriate supports and services;
- To develop a uniform process to identify and refer students who have behavioral health and psychiatric needs to community-based services including the Clifford Beers Clinic Emergency Mobile Psychiatric Services team ("EMPS") and other appropriate services;
- To promote alternatives to psychiatric emergency department visits among students with behavioral health concerns;
- To reduce unnecessary arrests, suspensions, expulsions, police contact and other juvenile justice involvement among students with behavioral health concerns;
- To enhance communication and coordination among Clifford Beers Clinic's EMPS teams and Elm City College Preparatory Middle School regarding students experiencing mental health concerns.

The aim of the EMPS program is to provide a community-based crisis stabilization service to children and families in the least restrictive setting possible, and support their transition to ongoing treatment services, as appropriate.
