

## EMPS-SCHOOL DISTRICT MEMORANDUM OF AGREEMENT

This document serves as a Memorandum of Agreement ("MOA") between CHR and Bloomfield Schools and has been developed in order to specify roles and expectations between these parties for meeting the behavioral health needs of Bloomfield Schools' students. The MOA has been developed for the following purposes:

- To promote earlier identification of students with behavioral health needs and support timely linkage to appropriate supports and services;
- To develop a uniform process to identify and refer students who have behavioral health and psychiatric needs to community-based services including the Community Health Resources (CHR) Emergency Mobile Psychiatric Services team ("EMPS") and other appropriate services;
- To promote alternatives to psychiatric emergency department visits among students with behavioral health concerns;
- To reduce unnecessary arrests, suspensions, expulsions, police contact and other juvenile justice involvement among students with behavioral health concerns;
- To enhance communication and coordination among CHR's EMPS teams and regarding students experiencing mental health concerns.

The aim of the EMPS program is to provide a community-based crisis stabilization service to children and families in the least restrictive setting possible, and support their transition to ongoing treatment services, as appropriate.

### CHR: EMPS agrees to the following:

- Have mobile EMPS available to respond in person to crisis calls from Bloomfield Schools during EMPS mobile hours (Monday through Friday, 6:00 a.m. to 10:00 p.m.);
- Respond by offering telephone support Monday through Friday 10:00 p.m. to 6:00 a.m. through the EMPS 24 hour centralized access number (211);
- Respond to all requests for service by Bloomfield Schools within 45 minutes or less;
- Offer Bloomfield Schools' students brief in-school crisis stabilization services with appropriate follow-up services;
- Develop a student-specific crisis plan within the episode of care and share that plan with the family, school staff, treatment providers, and other relevant parties upon execution of a proper release from the parent or guardian;
- Provide case management service linkages to students referred by Bloomfield Schools and their families; and;
- Collaborate and maintain close communication with the appropriate educational staff to develop an effective plan of care for each student referred for EMPS services.
